By LAUREL BRISTENSEN

Brickers, Vikings, Brigadiers, and Mats were represented by players chosen on the all-star social unit games Wednesday by intramural officials, members of the athletic department, and the Y News sports staff.

Ivan Wilkey of Vikings and Met Wilson of Brickers were selected as forwards on the first all-star team, although they were pushed to the limit by Jack Eastmond of Brickers and John Lewis of Brigadiers.

Both Wilkey and Wilson were among the league leaders in scoring, besides being outstanding in the ball-handling department.

Kirk Stephens of Vikings, one of the top scorers of the league and a stellar floor man, was given the nod at the pivot post over Mac Johnson of Brickers.

Strong Guard

The defensive positions were filled by Vern Waldo of Brickers and Clyde Greenwell of Vikings with Wally Gardner of Vikings and Jorgensen of Mats chosen as second guards. Waldo was a tower of strength on the guard line during the entire season, and Greenwell collected in practically every game in which he participated after the players were outstanding during the season. Officials who made the mythical selections felt that it was difficult to choose the "cream of the crop."

Candidates

Brigham Young's annual invitational track and field meet, to be held April 26 and 27, will rival the Olympic games, according to participants of the athletic department.

John Eastmond, holder of the Louisiana State, and holder of the world record in the high jump, have also signed their intentions of participating in this year's meet.

With twelve new recruits ready to go as soon as fall weather appears, Young's prospects for a winning team are brighter than in the days when this equipment.

A tournament among candidates will be held soon after practice gets under way. On the basis of this tourney and general performance, a group of eight men will be chosen as the varsity squad, according to Coach Fred "Buck" Dixon.

The first match of the season is scheduled for April 12 with the University of Utah at Salt Lake City.

All request-wishers who wish to try out for the varsity team are urged to see Coach Dixon. Due to the increased facilities, candidates can be accommodated and a more thorough tryout given.

The season schedule follows:
April 12—Utah, University of Salt Lake
April 26—Utah State at Provo

Utah Aggies Favored Over Greely State

By virtue of their 43 to 24 victory over Colorado, Mines Tuesday, the Greely State Bears stepped into the championship of eastern R.M.C. basketball and represented the eastern circuit against Utah Aggies, western champions, in the play-off series this weekend.

The first game of the series took place last night and found the Aggies leading, as their favorites over the Bears. Games will also be played tonight and tomorrow evening. The Bears are planning a careful defensive style of play, with an emphasis on the high-achieving activities of the Farmers.

The teams are complete contrasts in style, Greely using the dribble extensively, while the Aggies prefer a short, rapid-fire pass attack. Capacity crowds are assured for the remaining games. It is the first series to be played in June since 1926.

With Captains Olden, Ed Smart, Bill Pardo, Malcolm Hume, Vy Richards and Ivan Iversen playing their best high school game, they opened the second quarter with a passing and shooting attack that liveliest the Provo team, and gave the Wildcats a lead that was Y.

At least five Brigham Young university hoopers will participate in the national A. A. U. meet to be held in Denver during the middle of the month, it was revealed Wednesday on the announcement that Power's Shoe team of Lehi would enter the meet.
